Each group and Activity is covered under the Tri-State Regional Insurance Policy. This insurance cost us 7,800.00 a year. All donations to the Region help cover this cost. Keep in mind that your group must be registered with the Region (on the meeting list) to be covered and any event your group or Area host means your covered. Please check your groups info on the Regional Website to make sure your group is on that list with correct time and Address. Incorrect times and Addresses may mean your not covered, so check and double check.

Finally there is a Regional Motion to take back to your homegroups. I will collect the votes in December for the December Regional meeting.

Regional Motion #1

To have the distribution of Regional meeting list return to the Regional PR committee and have meeting list distributed at Areas for free.

Intent: Provide meeting list to Areas that want them

Thank-you for Allowing to represent your Area at Region

Rich M. 724 561 3023.
